

# Rishabh Saini

Master in Design Innovation | User Interface / User Experience Designer | India

Email: Adhopiyar@gmail.com | Phone: +91 8529009009 | Website: <https://rishabhsaini.com/>

## Personal Summary

I am a visionary UI/UX designer driven by a passion for innovation and user-centric design. My ambition is to push the boundaries of design by exploring futuristic concepts that remain fresh and engaging over time. Inspired by modern trends and my deep interest in astrology, I incorporate unique zodiac-inspired elements into my work an approach that has resonated with freelance clients. By blending creativity with functionality, I strive to craft digital experiences that are not only visually striking but also intuitive and impactful.

## Professional Experience

### Prism Works Studio

UI/UX Designer - September 2024 – March 2025

- Designed and developed the "Southern Flavours" restaurant business website, menu, Logo and promotional posters.
- Utilized tools such as Adobe Illustrator, Figma, Photoshop, and In-Design for creative output.
- Collaborated with other clients to align design objectives with business goals.

### Capgemini

UI Design Engineer - September 2021 – February 2023

- Designed intuitive and user-friendly interfaces, enhancing the overall user experience.
- Led wireframing, prototyping, and user testing in Agile development environments.
- Created responsive and interactive designs for seamless usability across devices.
- Collaborated with cross-functional teams to refine designs based on user feedback and testing.
- Integrated embedded systems knowledge into firmware UI design for optimal performance.

## Key Skills

**Design Expertise:** Product Design, UI/UX Design, Interaction Design, Wireframing, Prototyping, Responsive Design, Branding & Visual Identity Development

**Technical Skills:** Figma, Sketch, Balsamiq, Adobe Illustrator, Photoshop, InDesign, After Effects, HTML, CSS, JavaScript.

**Methodologies:** Design Thinking, WCAG Standards, User Testing, Agile Design, Lean UX

**Industries:** Hospitality, Transport, Retail, Education, Banking, Manufacturing, e-Governance

**Soft Skills:** Creativity, Collaboration, Problem-Solving, Teamwork, Time Management, Decision-Making

**Languages:** English (Professional Proficiency)

## Master of Arts in Digital Design

De Montfort University, Leicester, United Kingdom Graduated 2023-2024

**Major Project:** Home Services App Design Designed a user-friendly application prototype for home services using Figma, Illustrator with full case study. Focused on user centric design, WCAG standards and clear navigation.

**Project 1:** Starbucks Website Redesign and improved navigation, consistency, and user experience through a complete website redesign. Created high-fidelity mockups, prototypes, and an animated video to showcase the design. Used Figma, Illustrator, After Effects, and Photoshop for design and presentation.

**Project 2:** BP Pulse App Redesign high-fidelity wireframes to enhance the user journey for nearby charging stations, simplifying complex workflows for a seamless experience. Ensured WCAG- compliant design for improved accessibility, optimizing navigation and usability while aligning with user needs and business objectives.

## Bachelor of Technology in Computer Science and Engineering

Deenbandhu Chotu ram University 2016-2020

**CodeWars Website Development Project:** CodeWars is a competitive coding platform where developers battle in one-on-one challenges for bounty rewards. Built with Python and Django, it turns coding into a fun, gamified experience.

**Key Features:**

- Real-time coding challenges with live opponents.
- Bounty rewards for winning coders.
- Leaderboards for competitive play.

**CodeEdit Website Development Project:** CodEdit is a platform where developers can post, share, and review code. Built with Python and Django, it enables users to like, comment, and engage with code snippets, fostering collaboration and peer-to-peer learning.

- Post and share code with syntax highlighting.
- Like, comment, and review for community interaction.
- Shareable and social-driven feedback.

**Central Board of Senior Education CBSE 12<sup>th</sup>**  
*Cambridge School 2015-2016*

**Additional Information**

- Available for relocation within the India and UK.
- References available upon request.
